Priority

In a Response filed July 19, 2001 to a Notice to File Missing Parts, Applicants submitted a Declaration and Power of Attorney claiming the benefit under 35 USC §119(e) of prior co-pending U.S. provisional application serial no. 198,000, filed April 18, 2000. Since the claim for priority was submitted within four months of the actual filing date of the non-provisional application, the timing requirements of 37 CFR 1.78(a)(5) were satisfied. In further compliance with 37 CFR 1.78(a)(5), Applicants now request that the specification be amended to contain the reference in the first sentence following the title.
